WELCOME TO YOUR HOME INSURANCE

This **Policy** is a bedroom-rated Home and Contents Insurance **Policy**

This **Policy** is a legal contract between **Us** and **You**. In return for the payment of **Your** Premium **We** will provide the insurance cover detailed in this **Policy** document, subject to the terms, conditions, and limitations shown below or as amended in writing by **Us** during the **period of cover**.

Your Schedule and any **Endorsement(s)** are all part of the **Policy** and are to be read as one document. Any word or expression used with a specific meaning in any of them has the same meaning wherever it appears.

Words with specific meanings are defined on Pages headed "Definitions" in this **Policy** Booklet.

We will insure **You** against legal liability, loss or damage under the Sections specified in the **Schedule** during any **Period of Insurance** set out in the **Schedule**, provided that the conditions under which this **Policy** has been issued are fulfilled.

This cover applies throughout England, Scotland, Wales, Northern Ireland, Isle of Man and the Channel Islands except when **We** state otherwise in the **Policy**.

Your Cancellation Rights

If **You** decide that for any reason, this **Policy** does not meet **Your** insurance needs then please return it to **Us** within 14 days of issue. On the condition that no claims have been made or are pending, **We** will then refund **Your** premium in full, less Paragon Car Limited's administration charge for cancellation of £30.00 plus IPT.

If **You** wish to cancel **Your Policy** after 14 days, **You** will be entitled to a pro-rata return of premium (providing there have been no claims made) and will include an additional charge to cover the administrative cost of providing the **Policy**. The details of any fees charged by your insurance intermediary will be shown in a separate Initial Disclosure Document or Customer Terms of Business, issued by them.

To exercise **Your** right to cancel **Our Policy**, please contact **Your** insurance intermediary at the address shown on the documentation they have provided to **You**.

IMPORTANT NOTES

PLEASE READ THIS POLICY DOCUMENT CAREFULLY AND ENSURE THAT IT MEETS ALL YOUR REQUIREMENTS.

If **You** have any query about **Your Policy** or the cover provided, please in the first instance contact the insurance intermediary through whom **You** purchased this **Policy**.

PLEASE KEEP THIS POLICY IN A SAFE PLACE. YOU MAY NEED TO REFER TO IT IF YOU MAKE A CLAIM.

To Report a Claim

For all claims related queries please telephone **Our** claims managers on **0207 138 8497**

Policy Duration

This **Policy** is an Annual Contract. The **Period of Insurance** is for up to 12 months. **You** must pay the full annual premium, or any agreed instalment when **We** ask. If the premium for this **Policy** is paid by instalments and in the event **You** fail to pay one or more instalments, whether in full or in part, **We** may cancel the **Policy** by giving **You** or **Your** intermediary 14 days' notice in writing sent to **Your** last known address

Renewal

When **Your Policy** is due for renewal, and **You** have given **Us** or **Your** intermediary permission to collect premiums by Direct Debit or Credit Card **We** will renew it for **You** automatically. This saves **You** the worry of remembering to contact **Us** prior to the renewal date and provides continuity of cover for **Your** peace of mind. **We** will write to **You** or **Your** Insurance Intermediary before the **Policy** expires with full details of **Your** next year's premium and any changes to **Policy** conditions.

Your Choice

If **You** do not want to renew this **Policy** with **Us**, please let **Us** or **Your** intermediary know this before **Your** renewal date so **We** don't take payment. If **You** inform **Us** after the renewal date charges may apply. Please see General Conditions in **Your Policy** booklet for details.

Please make sure **You** have arranged adequate alternative insurance before allowing this **Policy** to expire.

Our Rights to withdraw renewal

Should **We** decide that **We** will not renew **Your Policy**, **We** will notify **You** and **Your** intermediary in writing at least 14 days before the next renewal date.

We shall not be bound to accept renewal of any Insurance and may at any time cancel any insurance document by sending 14 days' notice to **You** at **Your** last known address

Your Duties

You are required by the provisions of the Consumer Insurance (Disclosure and Representations) Act to take care to:

- supply accurate and complete answers to all the questions **We** or the **Policy Administrator** may ask as part of **Your** application for cover under the **Policy**;
- make sure that all information supplied as part of **Your** application for cover is true and correct;
- tell **Us** of any changes to the answers **You** have given as soon as possible.

Failure to provide answers in line with the requirement of the Act may mean that **Your Policy** is invalid and that it does not operate in the event of a claim.

All information **You** have provided **Us** as shown on **Your** most recent **Statement of Fact** document is relevant to the **Policy** cover. If any of the information shown on **Your** most recent **Statement of Fact** document is incorrect or has changed, **You** must tell **Us** at **Your** first opportunity. If **We** are not advised of changes in circumstances, this may affect **Your** ability to claim under the **Policy**. When **You** tell **Us** of a change of details, **We** will reassess the premium and terms of **Your Policy**, **You** will be informed of any revised premium or terms in writing and **You** will be asked to agree before any permanent change to **Your** cover is made.

Changes **We** expect **You** to tell **Us** about include things such as

- moving home
- if the **Maximum Claim Limits** become inadequate,
- **You** add a new extension to **Your** home or undertake any structural alterations or demolition work.
- adding new valuables and items of jewellery that need to be specified on **Your Policy**
- a change of the persons living at the home
- **Unoccupancy** of the property, (i.e. empty for more than 60 days)
- **You** decide to let out **Your** property or stop living there yourself
- A change to the fire and or theft security protections at **Your Home**
- any criminal convictions (or cautions) of any of the persons included within the insurance.

We will not refund, or charge amounts less than £10.00. In some rare circumstances unfortunately, **We** may not be able to continue **Your** existing **Policy** following certain changes, but **We** will offer an alternative where possible.

Where this does happen, **We** will advise **You** and **Your** intermediary immediately in writing and the **Policy** will be cancelled in line with the provisions of General Conditions, giving **You** time to find alternative insurance.

SAFETY CHECKLIST AND RISK MANAGEMENT GUIDE

Here is a short risk management guide that **You** can use to check how well protected **You** are. Much of the information is plain common sense, but it helps to check in case something has been missed.

This page does not form part of Your Policy and is provided for Your guidance and information only

Be Safety Aware

Even with the best insurance the experience of a break-in, a flood or a fire can be very upsetting. Here are a few suggestions that **You** might follow in order to reduce the chances of something going seriously wrong.

Fire Risks

1. Smoke detectors save lives. Fit at least two devices, one on the ceiling of the ground floor hall and one on the ceiling of the upstairs landing, preferably close to the head of the stairs.
2. Remember to check that the batteries are still effective at least once every 3 months and lightly vacuum clean the elements at least once a year.
3. Check **Your** electric sockets. If **You** discover too many plugs hanging off one power point, spread them around or have more power points put in. Consider having an additional residual circuit breaker.
4. If **You** have open fires, have the chimneys swept regularly. Use a fire guard when children are around or when drying clothes.
5. Don't let children play with matches or fire.
6. Don't leave hot fat or oil unattended on the cooker: if it catches fire, smother it with a fire blanket or damp cloth – do not use water.
7. Never use a gas appliance if **You** think it's not working properly. Signs to look out for are soot and stains around the appliance and pilot lights that often blow out. Never cover it or block the air vents.
8. Have **Your** heating system and all gas appliances serviced regularly.

Floods and Burst Pipes risks

1. Winter brings the threat of frozen pipes – which can flood the house. Around 300 gallons of water can gush out of a burst pipe in a single hour: if **You** are away, or if **You** don't know how to turn it off, the effect can be devastating.
2. Find out where **Your** main stopcock is and check that **You** can turn it on and off. If **You** can't move it, don't be tempted to hit it with a hammer, contact a plumber instead.
3. Protect all **Your** pipes and tanks with proper lagging, to prevent water freezing and reduce **Your** bills too!
4. If **You** go away in winter, leave **Your** heating on at the normal setting, and ask a neighbour or relative to call in from time to time to check the pipes. Make sure they know where the stopcock is. If **You** don't have central heating, turn off the mains stopcock and drain the water system before **You** leave.
5. If a pipe bursts, turn off the mains stopcock, turn off the central heating system and turn on all the taps.
6. If **You** find the frozen pipe yourself and decide to defrost it, use gentle heat such as hot water bottles or cloths soaked in hot water, and remove any items that may be damaged by a burst.
7. If **You** live in a flood area, and **You** receive a flood warning, reduce the possibility of damage by acting quickly. As much as possible should be moved upstairs, especially electrical items and **Valuables** and personal items which can't be replaced easily, like pictures and photographs.

Check for Flood Warning in Your postcode on the Gov.UK [Flood Information Service](#)

Check the [National Flood Forum](#) website or speak to a Floodline adviser to find out how to stay safe during a flood.

SAFETY CHECKLIST AND RISK MANAGEMENT GUIDE

This page does not form part of Your Policy and is provided for Your guidance and information only

Crime Risks

1. Install a burglar alarm and remember to set it whenever **You** are out of the house. Make sure it is maintained and clearly visible.
2. Make sure that **You** have good quality locks fitted to **Your** outer doors, and key-operated locking devices fitted to **Your** windows, to take advantage of premium discounts. If **You** are a tenant **You** may be able to get the council or landlord to fit them.
3. Check that **Your** doors are strong enough. Glass panels near locks are especially vulnerable.
4. Fit exterior lights, such as those with sensors that switch on when they detect something within range.
5. Use time switches – available from DIY shops – to turn on lights, etc., when **You** are out, to make the house look occupied.
6. Never leave keys under the mat or where they can easily be found.
7. Don't keep large sums of Money at **Home**. If **You** have valuable items (such as jewellery) keep them in a safe deposit box rather than in **Your** house.
8. Keep cash, keys and credit cards out of sight.
9. Join a 'Neighbourhood Watch' scheme if there is one in **Your** area. Arrange with **Your** neighbours to watch **Your** house if **You** are away.
10. Design **Your** garden for security. If the walls or hedges at the front are too high they can allow thieves to attack **Your** doors or windows while out of sight from the street. At the back, make **walls** harder to climb with materials that do not offer an easy grip, such as light fencing, trellis, or anti-climb resin.
11. Give **Your** shed or garage a proper locking system and consider connecting it to the burglar alarm. Bicycles and motorcycles in the garage should be locked to ground anchors, and tools locked away.
12. Ladders should be chained up, as they can be used to get into upstairs windows.
13. If **You** go away, remember to cancel the milk and papers.
14. Get a friend or neighbour to look after the house when **You** are on holiday, to collect mail and generally make the house look lived-in.
15. If **You** own a bicycle, 'lock it and list it'. In other words, even if **You** leave it just for a minute always lock it with a good quality lock to something solid. If **You** have quick-release wheels take the front wheel off and put the lock through both wheels. To help the police (who auction thousands of unclaimed bicycles every year) make a note of its details and take a clear colour photograph. Ask **Your** bicycle dealer to stamp **Your** postcode on the frame with a Coded Cycle sticker to warn off thieves.
16. Use an ultra violet pen, readily available from stationery stores, to mark **Your** postcode and house name/number on all valuable and portable items of property.
17. Consider using Smart water on all valuable gold, silver items
18. Take photographs/video of valuable items, such as jewellery, watches etc. Remember to put a scale (e.g. ruler) in the picture. This can provide the police with valuable evidence in the aid of recovery of **Your** property. (Try to store the photographs elsewhere than in the **Home**.)
